

DEQ's Remediation Division Relocates

The Montana Department of Environmental Quality's Remediation Division has relocated to 1225 Cedar Street in Helena. This is the former Mountain West Bank building headquarters on the corner of Cedar Street and Montana next to Woody's Carwash. Please note that phone numbers for Remediation Division employees have changed due to the move and can be found here: <http://svc.mt.gov/deg/staffdirectory>. The LUST/Leak Hotline remains 800-457-0568.
